About the GIGA

The GIGA German Institute of Global and Area Studies is an independent social science research institute based in Hamburg, Germany. Our mission is to analyse political, social, and economic developments in Africa, Asia, Latin America, and the Middle East, as well as global issues. As a member of the Leibniz Association, we are committed to the Leibniz principle of “theoria cum praxi”: science for the benefit of society.

The GIGA stands for an approach that is global in content, reach, and structure. It combines in-depth area expertise with comparative, interdisciplinary, and multilevel analysis, generating insights that are relevant from an academic and a realworld perspective.
